I am an enthusiastic and dedicated person who enjoys learning new things and taking on challenges. I am adaptable, eager to grow, and ready to explore new opportunities while working well with others. I believe in giving my best to every task I take up and strive to contribute positively to any team I am part of. I am focused on building my career while continuously improving myself and gaining practical experience.

Education

- | | |
|--|---------------------|
| • SRK Institute of Technology, Enikepadu | Nov 2021 - Apr 2025 |
| Bachelor of technology in AIML | 7.8 CGPA |
| • Sri Chaitanya Junior College, Vijayawada | Jul 2019 – Mar 2021 |
| Intermediate in M.P.C | 8.1 CGPA |
| • Bala Vignan School, Vijayawada | Jun 2018 – Mar 2019 |
| X (S.S.C) | 8.7 CGPA |

Skills

- Backend Languages: Python
- Databases: MySQL
- Web development: HTML, CSS, JavaScript
- Additional Skills: Analytical thinking, Problem-solving, Communication, Leadership, Computer Skills, Basics on GIS and Remote Sensing

Project

Real-Time Face Detection of Age, Gender, and Facial Emotions using CNN Developed a real-time system using Convolutional Neural Networks (CNN) to detect and classify age, gender, and facial emotions from live video input. Implemented using Python and OpenCV, enabling accurate multi-attribute face analysis for smart surveillance and human-computer interaction.

Internships

- As a web development intern, I closely work with designers, content creators, and other developers to create a seamless web experience.
- Optimize websites for speed and scalability, ensuring a responsive design across various devices and browsers.
- Utilized HTML, CSS, Bootstrap to create visually appealing and responsive web pages that met client requirements.
- Coded using HTML, CSS and Javascript to develop features for both mobile and desktop platforms.

Strengths

- A quick learner.
- Have a good sense of responsibility and maintenance with good team work and leadership qualities.
- Can handle multi tasks at a time.
- Excellent communication and teamwork abilities.
- Can adapt to new technologies and work environments quickly.
- Punctual and creative.
